# INDIVIDUAL SERVICE DELIVERY

Individual Service Delivery is a one on one Supports Service Individually tailored to your needs. This services is provided through your NDIS Plan or on a fee for service basis. Macarthur Diversity Services Coordinator will work with you to look into activities of your choice. MDSI provided in home support and/or supports you to access activities in the community.

Support may include but not limited to:

- Social support groups including community events, and sport.
- Assistance to attend recreational activities such as: concerts, shopping, movies, or the gym.
- In-home support such as: personal care and domestic assistance.
- Support to attend appointments such as massage therapy and other remedial health services.

Individual Service's will be delivered by our experienced and dedicated Support Workers who are passionate about quality service delivery.
