

# Enjoy harmony

IT'S heartening to be reminded "everyone belongs" and that's the theme for this year's Harmony Day celebrations.

The day set aside to celebrate Australia's cultural diversity is on March 21 this year. Families are invited to join Macarthur Diversity Services Inc to celebrate Harmony Day on Monday at Koshigaya Park. Performances, kids' activities and a sausage sizzle will be held from 10am to 2pm. A refugee education tent will offer a glimpse of life in a refugee camp. A MDSI spokeswoman urged the community to "celebrate the cultures that make Macarthur a great place to live".
