

# COMMUNITY ACCESS

When you've got a NDIS plan & you're seeking individual support contact Focus Connect. We can provide:

- Capacity building skills including domestic assistance, team work, cooking & budgeting skills.
- Social & community participation where participants have the opportunity to improve their social skills & develop friendships.
- Fun & engaging activities that increase independence & promote a positive quality of life.

Our accredited & committed team support individuals, their families & carers to be aware of all options available using a person centred approach.
