CARE IN THE COMMUNITY ADVERTISING FEATURE

GREAT OUTDOORS: Clients recently took part in a Community Access fishing and camping adventure.

Helping to make connections

MACARTHUR Diversity Services Initiative may have changed its name to FOCUS Connect but it is still the same organisation that has been supporting Macarthur's local community for more than 35 years.

As an NDIS provider, FOCUS Connect offers a diverse range of services for people with a disability.

These include the Community Access/Day Program which provides recreational, sporting and social group activities.

meaningful and sustainable employment while Individual Services provides cus-

tomised home and community-based support. There is also a short term accommodation respite service within the grounds of a sensory garden which allows clients to relax, make new friends and get involved with activities.

The Men's Shed at Airs Bradbury is fully equipped with workshop facilities, an organic garden and lunch rooms to learn new handy skills.

You'll find FOCUS Connect at Level 3, 171-179 Queen Street, Campbelltown. Phone 4627 1188 or go to focusconnect.com.au.
